

# Scope of Rio Grande Trail

- Entire length of Rio Grande in NM
- Process to date
  - Working from past efforts 2008 – using Belen to Texas draft for southern portion
  - There will be a factsheet coming out soon
  - Establishing 6 Workgroups
    - Alignment Work Group
    - Resource Work Group (I'm Chair)
    - Communications Work Group
    - User Groups Work Group
    - Design & Management Work Group
    - Interagency Work Group
- David Martin, Cabinet Secretary for EMNRD is Commission Chair and Christy Tafoya, Director of NM State Parks is Vice Chair.
- Information in NM EMNRD website
- Get Involved!

# Trails in the San Acacia Reach

- Existing trail from Otero Street to North Diversion – no access at this time. [www.sobtf.org](http://www.sobtf.org)
- City of Socorro's efforts to plan and implement additional trails
  - Current funding for Trails plan – includes potential Bosque trails
  - Planned submittal of grant for trail to connect the refuges – probably will be phased
- Get involved! Be part of the solutions! Contact James McNeil at [healthykidssocorro@gmail.com](mailto:healthykidssocorro@gmail.com)
- Need stakeholder involvement in planning process!
